Professional Summary

Having spent my life in Ouagadougou Virtual University, I have used my time to bring visually aesthetic, responsive, and accessible websites to my community. After cutting my teeth at Spherical, I have developed a strong work ethic and a passion for web app. I am excited to join a company where I can continue to grow my skills while empowering marginalized communities.

Work Experience

Web Developer

June 2023 – Present

Ouagadougou

- Creating web app for courses
- Completed hands-on training in React and Python for web development.
- Collaborated with developer and performance teams to improve my skills.
- Conducted website research and proposed improvements for new builds.
